Builders & Developers

SINCE 1977

COUNTRY GROUP
BUILDERS & DEVELOPERS

Country Builders and Developers was founded in 1977 by highbrow professionals, with an impeccable zeal for making a difference and leaving a mark. One of Pakistan's front-runners in superlative real estate construction and development, Country Builders and Developers have established themselves as an unexcelled player in the industry.

Distinguished as trailblazers in real estate, Country Builders and Developers is proud of its professionals who possess the utmost dedication, commitment, passion and flair to recast and ameliorate the real-estate scene in Pakistan, all while respecting the ethos of the business. The company's main objectives include working on property development and construction. Having worked on some of the most tremendous real estate paragons in Pakistan, all manifesting the company's inventiveness and the philosophy to ditch traditional architectural designs, the team of Country Builders and Developers strives to serve its clientele in the best way it can.
